Missouri

(Plaintiff)

V.

Luis Gallegos

D/O/B/ 9/11/1981 (Defendant)

Request for relief

Motion to release Counsel

due to Ineffective Assistance
of Counsel.

Now Comes Luis Gallegos (Defendant) in forma
de pauperis persona and pro se on this day
of Nov 18, 2011.

JURISDICTIONAL STATEMENTS

1. I Luis Gallegos have been Confined Under
the Custody of the United States Marshalls
Since June 7th 2011 without bond and/or interruption,
at the St. Clair County Jail in Osceola, Missouri.

2. IN which my Attorney has decided not review
thoroughly with me; Documents of Discovery neither has
he hearkened to the duties that I have

requested of him with the concerns of my case and at this point I feel like I'm being coerced into pleading guilty to a charge that I am not guilty of.

3. To be clear, I understand that I am not at liberty to choose my own public defender however I am entitled to legitimate counsel to stand on my behalf. As this is the first time that I have faced the Federal Court System and I take the current charges very seriously.

4. With this understanding, I am declaring to the Court that "I" am and "will" continue making every effort to work with the prosecution to expedite this process within a timely fashion and to cover responsibility for my actions and involvement but I have no intention to pleading to a charge that I am not guilty of.

5. Therefore due to this trust issue concerning this attorney and client arrangement, I am asking the Court to reassign me to another attorney of public counsel and an extension of 120-180 days.

So that the incoming Counsel
may have enough time to go over
my case and to have enough time to
go over it with me.

Respectfully Submitted this 18th day
of November 2011.

Luis Gallegos
